Please complete and return the slip below.

This is a moment in history of unique potential, when the stated intentions of world leaders echo something of the mind of the Biblical prophets and the teachings of Jesus concerning the poor, and when we have the means to dramatically reduce poverty.

We commit ourselves, as followers of Jesus, to work together for the holistic transformation of our communities, to pursue justice, be passionate about kindness and to walk humbly with God.

We call on international and national decision-makers of both rich and poor nations, to fulfil their public promise to achieve the Millennium Development Goals and so halve absolute global poverty by 2015.

We call on Christians everywhere to be agents of hope for and with the poor, and to work with others to hold our national and global leaders accountable in securing a more just and merciful world.
